To Whom It May Concern:

Over these past few years, it has been our distinctive pleasure to work with Marmich Air Conditioning, Inc. Their knowledge and professionalism have always been consistent with the high expectations of our condominium residents.

Marmich Air Conditioning, Inc. has done major work in our common areas removing old and installing new A/C systems, changing valves, emptying risers, changing pipes, working around our schedule and restrictions of our residents, to accommodate everyone, while working professionally and expeditiously. They have serviced our owners with their individual air conditioning needs, as well.

It is my pleasure to extend my highest recommendation for the services of Marmich Air Conditioning, Inc. as they have demonstrated the knowledge, experience and ability to go far beyond any expectation to ensure that utmost satisfaction is earned and kept.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

  
Angela Y. Benoit  
General Manager
