TO WHOM IT MAY CONCERN:

RE: Letter of Reference for Marmich Air Conditioning, Inc.

Our department has had the pleasure to work with Marmich Air Conditioning in one of our projects. (Virginia Key / Dewatering Bldg) This facility is very critical to our departments water production and we had nothing but a positive experience in working with them. This project involved replacing a 15 ton Water cooled package unit and a 2.5 ton split system, ductwork, and control work.

They performed this task in a professional manner and were very reliable in completing the work in a timely manner. There company is listed in our CSBE program which is entitled to bid on projects throughout all Miami Dade Departments.

If I can be of further assistance, please feel free to contact me at 786-552-8548.
